This module was created to increase the sales of traditional retail travel agencies.

Affiliates can confirm reservations for resorts via our Original Affiliates Platform without referring consumers to our websites by posting banners or links on their communication platforms.

The commission scale that applies is the same one that applies for consumer referral.

You can select a net payment, allowing you to withhold your commission.

Incentive of a 2 night complimentary stay when affiliate reaches maximum commission percentage.

- All of the bookings are validated by the 8th of the following month.
- After the 9th of every month, the affiliate may send their invoice so that their payment may be processed.
- Commissions are paid out by the 30th of the following month of the stay dates.

We will be paying out:
